FILING QUALIFICATIONS: The prior application identified above must be a nonprovisional application that is either: (1) complete as defined by 37 CFR 1.51(b), or (2) the national stage of an international application in compliance with 35 U.S.C. 371. Effective May 29, 2000, a CPA may only be filed in a utility or a plant application if the prior nonprovisional application was filed before May 29, 2000. A CPA may be filed in a design application regardless of the filing date of the prior application. See "Request for Continued Examination Practice changes to and Provisional Application Practice," Final Rule, 65 Fed. Reg. 50092 (Aug. 16, 2000); Interim Rule, 65 Fed. EXPRESS ABANDONMENT OF PRIOR APPLICATION: The filing of this CPA is a request to expressly abandon the prior application as of the filing date of the request for a CPA. 37 CFR 1.53(b) must be used to file a continuation, divisional, or continuation-in-part of an application that is not to be abandoned.

ACCESS TO PRIOR APPLICATION: The filing of this CPA will be construed to include a waiver of confidentiality by the applicant under 35 U.S.C. 122 to the extent that any member of the public who is entitled under the provisions of 37 CFR 1.14 to access to, copies of, or information concerning, the prior application may be given similar access to, copies of, or similar information concerning, the other application or applications in the file jacket.

35 U.S.C. 120 STATEMENT: In a CPA, no reference to the prior application is needed in the first sentence of the specification and none should be submitted. If a sentence referencing the prior application is submitted, it will not be entered. A request for a CPA is the specific reference required by 35 U.S.C. 120 and to every application assigned the application number identified in such request, 37 CFR 1.78(a).

PRELIMINARY AMENDMENT for CONTINUED PROSECUTION APPLICATION

Dear Sir:

This paper is accompanied by a Request for a Continued Prosecution Application and the fee therefor, and by a petition to revive the unintentionally abandoned subject application under 37 CFR 1.137(b) and the fee therefor. In conjunction with grant of the petition to revive, these papers together constitute a complete response to the final rejection of the subject application that was mailed on May 21, 2002, failure to fully and properly respond to which resulted in the unintentional abandonment of the subject application.

Before proceeding with examination of the application, please enter the new claims as indicated below, cancel all of the claims presently existing in the application (as revived), and consider the remarks contained herein. Because the present claims submitted herewith are new, no appendix showing the changes made to arrive at the present claims is attached.
